

What is the demand for APRNs?

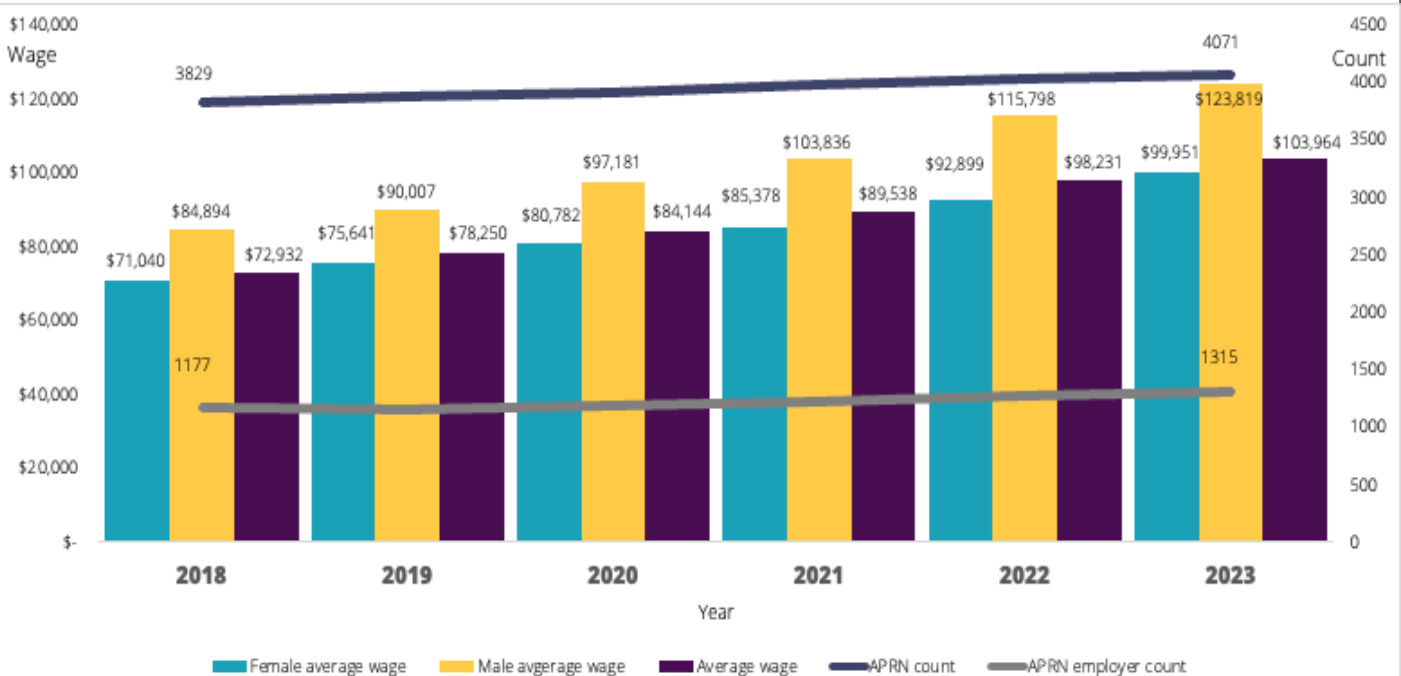

Demand for APRNs has risen. This is reflected in higher wages, more job postings over time, and hiring that exceeds turnover.

Total APRN turnovers and new hires, Utah, 2018-2023

Sustained growth combined with new hires exceeding turnover rates indicates a rising demand for APRNs.

Average wages, APRN total, total APRN employer, Utah, 2018-2023

Closing the wage gap between men and women will help build a more diverse workforce that can meet the needs of Utahns.
