

What is the demand for physicians?

Physician demand was high when turnovers exceeded new hires and there were fewer MD/DO graduates.

Total number of MD turnovers and new hires,
Utah, 2018-2023

About
100
more MDs
were leaving
their jobs
than were
being
replaced each
quarter.

MD/DO graduates
in 2019-2020

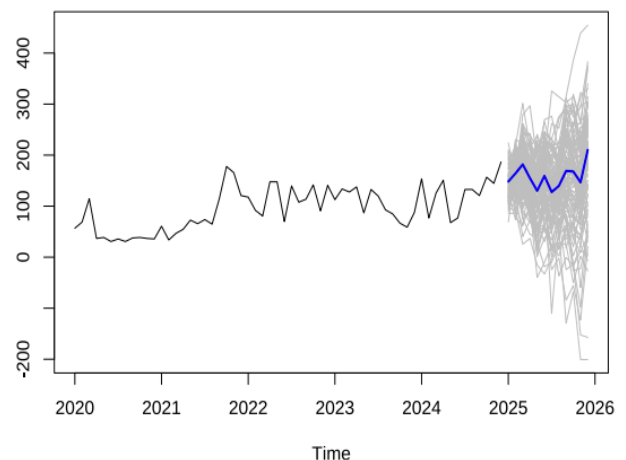

288

MD/DO graduates
in 2022-2023

415

Total and projected number of MD/DO job
postings by year, Utah

A recent increase in MD/DO graduates is encouraging, but many will leave Utah for residency. Projections for 2025 suggest only a modest increase in physician job postings.
